System Requirements – September 2020

TitleExpress supported platforms will follow Microsoft End of Life cadence for support. Additionally, please ensure all server / workstation components are properly updated with the manufactures current service packs.

Systems	Supported Versions	Comments
Server OS	Windows Server 2019 Standard & Datacenter Windows Server 2016 Standard & Datacenter Windows Server 2012 Standard	Windows Server 2008 and 2008R2 are no longer supported.
Desktop OS	Windows 10 Professional / Enterprise Windows 8.1 Professional	Windows 10 Version S or Home Editions are not supported. Windows 7 is no longer supported.
Word Processor	Microsoft Office 365 Apps for Enterprise (FKA Pro Plus) which includes desktop version of Word 2016/2019 Microsoft Office 2019 Standard / Professional Microsoft Office 2016 Standard / Professional Microsoft Office 2013 Office Standard / Professional Microsoft Office 2010 Office Standard / Professional *(support ends 10/2020)*	Web versions of Word or other MS Office suites are not supported. 64-bit versions of Word are unsupported
Server DB	MS SQL 2019 w/ Mgmt. Console MS SQL 2017 w/ Mgmt. Console MS SQL 2016 w/ Mgmt. Console MS SQL 2014 w/ Mgmt. Console	Note: MS SQL Express is recommended if total user count is 10 or below.
Printer Compatibility	Windows compatible laser or inkjet printer. For HP printers, the PCL5e, PCL6, or PS drivers are the required print drivers. We highly recommend a high-speed, dual tray laser printer.	
Microsoft Components	Microsoft .Net Framework 4.7.2 Microsoft .Net Framework 3.5 SP1	
Communication and System Rights	A business grade Internet connection is required at each site for remote Customer Support assistance. End users should have full local administrator rights for editing and manipulating the database. Wireless, VPN and PPP are not supported communication protocols.	
TitleExpress	We are committed to delivering high-quality, quarterly software updates for your TitleExpress software. For optimal functionality, we support the previous two versions of the application.	TitleExpress v8.12.0 and earlier are not supported.
Cloud Workspace	To connect must use an RDP shortcut or Chrome Browser	Internet Explorer is not supported

Individual systems and business needs may cause system requirements to vary. The specific equipment, size and complexity of an operation can greatly alter the specifications and minimum requirements as noted. Any questions or concerns regarding the minimum installation requirements for the TitleExpress system should be directed to TESupport@smscorp.com or at 800.767.7831.
